ORDER NO.

SUBJECT:

Docket No. 2002-319-T - Application of Easy Movers, Incorporated, 11021-C Downs Road, Pineville, North Carolina 28134 (District At Large) for a Class E (Household Goods) Certificate of Public Convenience and Necessity - Discuss with the Commission a Request to Move Holly Glenn from Hilton Head, South Carolina Back to York, South Carolina.

COMMISSION ACTION:

Move that we grant the request for one time authority to move a previous customer from Hilton Head to Clover. While I understand the arguments of the Office of Regulatory Staff, I believe that Easy Movers has presented us with unique circumstances, and that this request would not set a precedent for numerous requests in the future. However, I do want to be sure that the company has the necessary insurance to make this move. Therefore, I would move that we grant the request, provided that Easy Movers present satisfactory evidence of insurance coverage to the Office of Regulatory Staff before making the move.
